

FAR PART 12

ACQUISITION OF COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES

Federal Acquisition Regulation (FAR) Part 12 implements the US Government's preference for the acquisition of commercial products and services. As a longtime provider of commercial products and services, Blue Canyon Technologies (BCT) is experienced at leveraging the efficiencies of FAR Part 12. BCT solves tough challenges in space through its commercial practices, providing customers with industry-trusted solutions delivered on time at a reduced price. BCT is also an experienced seller under FAR Part 15 and OTA-based procurements.
